

Barb Reddo is hereby recognized by Tonia Tieman and Tuesdi Jones for going above and beyond her duties.

Barb assisted Tonia and Tuesdi when their clothing became soiled with charcoal during a procedure in the ER. She even clocked out of work at the end of her shift and stayed over to finish removing the charcoal from their clothing.

Tonia and Tuesdi express their gratitude to Barb for removing the charcoal from their clothing and saving their clothing from ruin.

**Thank You
